## HERE ARE THE DETAILS

---

### College Costs Updates

The update for college costs is for the 2015-2016 academic year including updated client reports and a database provided by the College Board. In addition several Printable forms contain college costs data that will be updated. These reports include:

- College Costs by Region
- Cost of Education
- Ways to Pay for College
- Tax Advantages of Funding Higher Education

### Morningstar Classifier Database update

The Morningstar Classifier Database has been updated to include information from Q3 of 2015.

### Social Security Value Updates

Consists of updates to several indexed values including the earnings base, formula bend points, and the average annual wage index amounts.

### Miscellaneous Improvements

- Client/Owner search by first name
- Cash Flow Worksheet Printable Form now includes automatic total calculations
- Add new Profiler designations:
  - **ADPA**® - Accredited Domestic Partnership Advisor(SM)
  - **ChHC**® - Chartered Healthcare Consultant
  - **CAP**® - Chartered Advisor in Philanthropy
  - **RICP**® - Retirement Income Certified Professional
